Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Llewellyn Terry)

WOODEN BONES

Simon Schuster Books for Young Readers, United Kingdom, 2013. Paperback. Book Condition: New. Reprint. 192 x 128 mm. Language: English . Brand New Book. In this fast-paced adventure filled with thoughtful life lessons (School Library Journal), becoming a real boy is just the beginning. Since he changed, Pino has struggled to live a quiet life with his father Gepetto. But a boy who used to be a wooden puppet doesn't fit in well with the other villagers. When Pino creates a replica of Gepetto's late wife and brings it to life, the two are chased out of their village by an angry mob demanding the resurrection of their own loved ones. On the run with a dying Gepetto, Pino must face a world that would seek to use--and misuse--him for his powers. And when Pino discovers that his abilities are slowly transforming him back into a puppet, he faces a choice: strike a deal with those who only want to use him, or stand up for who he really is.
