### **Reviews**

*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

The road to the future is paved with letting go of the past. *Gone Surfin* : Since the age of six, Kai Hachiya s entire life has been centred on surfing. Now, at the age of twenty-six, he s begun to drop in the rankings. Memories of a small-town mayor have him completely off pace, and only one thing can fix it, finding that man. Winters in Cattle Valley are torture for Mayor Quade Maddison. The only thing that gets him through the cold, lonely months is his annual vacation to Hawaii. When a gorgeous professional surfer washes up at the grand opening of the Tall Pines Lodge, Quade knows his Christmas prayer has been answered. *The Last Bouquet*: Tyler Manning hates seeing Hearn Sutherland mourn over a jerk like Mitch Lanham. Every week Hearn comes into Tyler s shop to pick up fresh flowers for his lover s grave, and every minute spent with the good-looking man makes Tyler love him more. When Tyler convinces Hearn to run for mayor against Cattle Valley s own favourite son, Nate Gills, Hearn knows he s in for a bumpy ride. Nate has his own bumps in the road to overcome. With the threat of a long-time secret being exposed, Nate must finally come to terms with his past.
