Brand New Book ***** Print on Demand *****.Little Crystals: A Low Sodium Journey Through the Salted Land tackles the challenge of reducing sodium intake on a sustainable and manageable basis. Readers will learn how to make the needed changes while still having a healthy, fulfilling and good tasting diet. An optimistic and realistic approach to dealing with salt is taken. This book takes the reader through each stage of the journey, from initial understanding and awareness of the problem, to making changes that will bring about the transition to low sodium living. Little Crystals will help anyone who needs to reduce daily sodium intake to 1,500 milligrams per day, or anyone who would like to achieve any degree of sodium reduction. This is a must-read for anyone who is dealing with high blood pressure, kidney disease, heart conditions, diabetes, swelling of the limbs, or who is over the age of 50. Many people have been told by their doctor to reduce their salt intake, but then are left mostly to their own devices to find the tools and information available to achieve this goal. Locating...

Reviews

Completely one of the better pdf I have got possibly go through. I really could comprehend every little thing using this composed e book. It is extremely difficult to leave it before concluding, once you begin to read the book.
