

OECD Reviews of Regulatory Reform OECD Reviews of Regulatory Reform: Sweden 2007: Achieving Results for Sustained Growth (Paperback)

Filesize: 8.39 MB

Reviews

The ideal publication i at any time go through. It is actually rally fascinating throgh reading through time. I am pleased to inform you that this is actually the greatest book i have got read through during my individual existence and might be he best book for at any time.
(Alexandre Cruickshank)

OECD REVIEWS OF REGULATORY REFORM OECD REVIEWS OF REGULATORY REFORM: SWEDEN 2007: ACHIEVING RESULTS FOR SUSTAINED GROWTH (PAPERBACK)

DOWNLOAD

Organization for Economic Co-operation and Development (OECD), France, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This review analyses the Swedish institutional framework for better regulation. In recent years Sweden has made a remarkable recovery, benefiting from deregulation efforts undertaken in the early to mid 1990s. Sweden places a strong emphasis on high standards of social welfare and a strong governance framework, which foster consensus. To preserve its ambitious social and environmental goals, Sweden needs to maintain its strong economic performance. A number of challenges should be addressed, such as the labour market, the performance of the public sector and the strengthening of competition. Entrepreneurship also should be stimulated, and further efforts have to be made to reduce administrative burdens. To create momentum for reform, Sweden needs to promote a strategic vision, improve the process for impact assessment, and strengthen co-ordination between national and local levels of government. The benefits of reform need to be more widely understood by all stakeholders and citizens. Regulatory reform will help Sweden take advantage of globalisation and technological innovation, and meet the demands of citizens for high-quality public services. Sweden is one of many OECD countries to request a broad review by the OECD of its regulatory practices and reforms. This review presents an overall picture, set within a macroeconomic context, of regulatory achievements and challenges including regulatory quality, competition policy, and market openness. Its special focus is on regulatory governance across levels of government as well as environmental policy. The background material used to prepare this report is available at: In the same series: Canada, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Japan, Korea, Mexico, Netherlands, Norway, Poland, Russia, Spain, Switzerland, Turkey, United Kingdom, United States.
