Other Shores Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Respect for the law came slowly to the old West, and in the last decade of the last century a long stretch of cavalier piracy was finally conquered by the steadfastness and courage of pioneer homesteaders who, in a hundred separate terrains, and with a thousand different stratagems, finally won out against various kinds of vandalism and secured the protection of the law for the great onrushing tide of their fellow colonizers.
