Lisa Marie Dominguez. Paperback. Book Condition: New. Paperback. 74 pages. Dimensions: 8.5in. x 5.5in. x 0.2in. Introductory I decided to write this book as a part of healing. If you have been a victim of physical and emotional abuse you will clearly understand the need to get away from your inner self. To heal your soul, to live in fantasy and that is exactly what this book does, it takes you away to the fantasy of a woman running away, experiencing life. Taking chances, through making all the wrong choices but ending up with what she deserves all along. The process of her journey is the inner torment the abuse, everyone that has been through anything like this knows at one time or another you will have to take full responsibility for all the crazy roads that you took, the decisions you made, the time lost, and the lessons learned. By the end of this story you can see where the journey took Lizzy and you will experience all the healing through reading this amazing adult book. Live life in fantasy and read my book. Take yourself away from your torment and heal through this journey. You will feel you are Lizzy, as she struggles through the pain, through the torment, through the unknown, through the heartache, all the questions and the uncertainties. The lust, the intimacy, the wrong choices, being taken advantage of and finally turning her life around. In the end you will learn and know that all will be okay in your life as well. Let your mind experience this book, to understand it and to feel each word, each message, each let down. Follow Lizzy until she finds the end, and discovers her final destination to her life. We will and can get there if we leave...
