Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

(Dr. Marvin Deckow)

SCRAPS: ADVENTURES IN SCRAPBOOKING

Hyperion, 2005. Hardcover. Condition: New. Dust Jacket Condition: New. 1st Edition. In the tradition of *Stitch 'n Bitch*, a collection of humorous essays about America's obsession with scrapbooking. Scrapbooking leads to deeper love, better health, perfect kindness, universal peace, a clearer complexion, and material wealth. Or so says Wendy Bagley, the witty author of *Scraps: Adventures in Scrapbooking*. *Scraps* is a hysterical collection of essays celebrating this outrageously popular hobby in all its glory. True "Scrapaholics"--a.k.a. Crop Queens, Photo Fiends, and 35-millimeter Mamas--will rejoice to see themselves reflected in the pages of this one-of-a-kind send-up. Overflowing with helpful hints ("Successful scrapbooking is one percent inspiration, eighty-nine percent perspiration, and ten percent snack food.") and aspirational wisdom (see the chapter titled "World Peace Through Scrapbooking"), *Scraps* is the perfect gift for the scrapbooking Mom who has everything. About the Author: Wendy Bagley is an award-winning advertising copywriter who claims not to be a scrapaholic. She lives with her family in Salt Lake City, Utah. This is her first book.
