In this second edition the original plan has undergone no change; but aside from this, the book has been recast and rewritten. Nearly every page shows some revision, made necessary by recent advances in our knowledge of physiology especially of physiological chemistry and the functions of the nervous system. It is a complete work, richly illustrated, handsomely bound, and should serve as an excellent text-book and guide for students and physicians who desire to keep in touch with the advances made in the study of human physiology. Maischa Materia Medica. New (Tb) Edition. A Manual of Organic Materia Medica, being a Guide to Materia Medica of the Vegetable and Animal Kingdoms. For the use of Students, Druggists, Pharmacists and Physicians. By...
