HarperCollins Publishers, United Kingdom, 2016. Hardback. Book Condition: New. 240 x 159 mm. Language: English . Brand New Book. The remarkable life of the vivacious, clever - and forgotten - Kennedy sister, who charmed the English aristocracy and was almost erased from her family history. Kick was Joe Kennedy's favourite child and Jack's favourite sister. Spirited, vivacious and quick-witted, her charm was legendary and with her jokes, effervescence and ease of manner she became a star amongst friends, family and the press. When Kick sailed to Britain in 1938 after her father had been appointed US Ambassador in London she was presented at court as a debutante, attended all the best parties and was a house-guest at the finest country estates. As the clouds of war gathered, Kick met a shy, tall, handsome man called Billy and against the wishes of her powerful family, she married him. He was William Cavendish, heir to the Duke of Devonshire and the Chatsworth estate, the most eligible bachelor in England. But their days of married bliss proved short. War brought tragedy and loss. In this book, which is as lively and vivacious as its subject, best-selling author Paula Byrne uses recently released documents to tell for the first time this cinematic story of the meeting of American and British aristocracy - the Kennedys, the Devonshires, their friends...
