ELECTRON FLOW IN ORGANIC CHEMISTRY (PAPERBACK)

John Wiley and Sons Ltd, United States, 1992. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This text attempts to establish a set of generic classes of reactions which will enable students to deal with a smaller number of reactant classes instead of studying each reaction as a separate case. It uses physical models such as energy surfaces to aid with decisions and includes a chapter that teaches students how to make a multivariable decision....
