

Miller s Trussed Platforms, Compression Buffers and Automatic Couplers: The Standard American System of Making Up Railroad Passenger Trains (Classic Reprint)

Filesize: 8.11 MB

Reviews

Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Lori Terry)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Miller s Trussed Platforms, Compression Buffers and Automatic Couplers: The Standard American System of Making Up Railroad Passenger Trains Having at various times been informed that certain persons, unknown to me, have used my name, and represented themselves as the veritable Platform Miller, for the purpose of obtaining favors from railroad officials and others; and that, in several instances, sums of money and railway passes have been thus obtained, therefore, I am constrained to insert this note - though much to my regret - warning all railway men against being thus imposed upon. I also preface this book with a likeness of myself, which will aid in the detect on of any who may attempt to counterfeit me in person. Agents from me will, in all cases, bear a letter of my own handwriting, the signature of which will correspond with that accompanying the likeness. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
