#### DOLLARS FLOW TO ME EASILY (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Is it possible to read and relax your way into financial abundance? Can dollars flow to you even if you just sat quietly in your favorite armchair and did nothing? Is abundance and prosperity really our natural birthright, as claimed by so many spiritual masters and authors throughout the ages? In his latest book Dollars Flow To Me Easily, bestselling author and spiritual explorer Richard Dotts attempts something that he has never done before - to write a book that changes and transforms the reader s innermost perceptions about money as they read it. Richard explains that these spiritual principles have never been about attracting more money or stuff into our lives. Is it any wonder that traditional Law of Attraction techniques which focus on doing and attracting something from out there to fill a perceived lack in our lives do not create lasting results? But if all our abundance is already right here for our taking, why is it that our bank balance and physical experiences do not always reflect this truth? Is there something we have to do in order to welcome this abundance into our lives? Dollars Flow To Me Easily takes an alternative approach to answering these questions. Instead of guiding the reader through a series of exercises to feel as if they are already rich, Richard draws on the power of words and our highest intentions to dissolve negative feelings and misconceptions that block us from manifesting greater financial abundance in our lives. When these blocks are gently dissolved and let go of through absorbing the words...
