History Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Cincinnati is an amazing place to live and visit for so many reasons. Local author Wendy Beckman and illustrator Allison Ranieri celebrate the city s eight wonders--architecture, art, commerce, food, customs, geography, history and people. With its Venetian Gothic lancet arches and crystal chandeliers, the Cincinnati Music Hall stands as an architectural masterpiece. The Cincinnati Red Stockings made history as the first professional baseball team. Remnants of marine fossils from the Ordovician Period remind residents that the city was once under water. Limitless local varieties of goetta range from family recipes to trendy cafe dishes. And the city birthed trailblazers like track and field star DeHart Hubbard, the first African American to win an Olympic gold medal in an individual event. These stories and more reveal the unique character of the Queen City.
