

Wolves Roses (Paperback)

By Christina Bauer

Monster House Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Seventeen-year-old Bryar Rose has a problem. She s descended from one of the three magical races--shifters, fairies, or witches. That makes her one of the Magicorum, and Magicorum always follow a fairy tale life template. In Bryar s case, that template should be Sleeping Beauty. Should being the key word. Trouble is, Bryar is nowhere near the Sleeping Beauty life template. Not even close. She doesn t like birds or woodland creatures. She can t sing. And she certainly can t stand Prince Philpot, the so-called His Highness of Hedge Funds that her aunties want her to marry. Even worse, Bryar finds herself attracted to a hottie werewolf named Knox and is under attack by evil mummy-zombies. If Bryar can t figure out who--or what--she really is, it might cost both her and Knox their lives. as well as jeopardize the very nature of magic itself.
