Brand New Book ***** Print on Demand *****.When Leaves Wave is the story of a 12 year-old girl who finds joy through nature after her siblings are killed. I was sad for a long time. I felt so alone until one day I went for a walk outside and saw something amazing. This was something I hadn't noticed before. I could see the leaves on the trees waving. Immediately, I started to feel joyful. All my sadness left. I thought Why must leaves fall off the trees? Why does everything have to die? Why must the leaves stop waving? Why must the fun always stop!? It was time for your brother and sister to leave this life to dance and have fun in the sky with God forever. So, when you see the leaves dancing.
