Yale University Press, United States, 2012. Paperback. Condition: New. Translation. Language: English . Brand New Book. Who is the mysterious narrator of Blindly? Clearly a recluse and a fugitive, but what more of him can we discern? Baffled by the events of his own life, he muses, When I write, and even now when I think back on it, I hear a kind of buzzing, blathered words that I can barely understand, gnats droning around a table lamp, that I have to continually swat away with my hand, so as not to lose the thread. Claudio Magris, one of Europe s leading authors and cultural philosophers, offers as narrator of Blindly a madman. Yes, but a pazzo lucido, a lucid madman, a single narrative voice populated by various characters. He is Jorgen Jorgenson, the nineteenth-century adventurer who became king of Iceland but was condemned to forced labor in the Antipodes. He is also Comrade Cippico, a communist militant, imprisoned for years in Tito s gulag on the island Goli Otok. And he is the many partisans, prisoners, sailors, and stowaways who have encountered the perils of travel, war, and adventure. In a shifting choral monologue-part confession, part psychiatric session-a man remembers (invents, falsifies, hides, screams out) his life, a voyage into the nether regions of history, and in particular the twentieth century.
