Someone s been killing Slates and freeing the Melted from their ice prisons in the Heaven embassy. The God Generation consists of supernatural entities - angels (the Worthy), demons (the Melted), and archaic gods goddesses (the Slates), born into human flesh and living among the rest of us. Morgan Constantina is an abuse survivor and a recovering ecstasy addict. She s been working hard to learn how to be tough and never be anyone s victim again. Her new life with her loving, supportive, semi-famous boyfriend - who happens to be her former Living Guardian Angel - grows to include an addition to the family, moving to Los Angeles, meeting his gigantic family, and reluctantly co-starring in their new restaurant-based reality TV show. Morgan learns there are Worthy authorities who keep a judgmental eye on mundane humans. One of them is quite helpful, but another has a personal agenda that could cause trouble for her. And as she s meeting new people, she s also gaining some enemies. High on the list of foes is an old family friend who s made threats to kill her, her own mother who thinks she s immoral and soulless, and her boyfriend s former flame - a woman Morgan s already met! SURREAL ENEMIES: ANGEL CITY is a story about the war of good and evil inside all of us, and the powerful, unforgettable force of parental love.
