

## Dictionary Days (Hardback)

Filesize: 4.32 MB

### ***Reviews***

*Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Graywolf Press,U.S., United States, 2006. Hardback. Condition: New. First. Language: English . Brand New Book. The whole of The Catcher in the Rye is in the Oxford English Dictionary, waiting to be unscrambled, and so are all the novels of our past, present, and immediate future en-thu-si-ast Function: noun a person filled with enthusiasm: as a: one who is ardently attached to a cause, object, or pursuit b: one who tends to become ardently absorbed in an interest A dictionary, despite its heroic effort to pin down language, is destined for failure the moment a single word is printed; language, with its eternal mutations, is forever uncontainable. In Dictionary Days, award-winning essayist Ilan Stavans explores our very human need to seize upon the meaning of a word. Owner of hundreds of dictionaries, he follows a fascinating, zigzagging history of lexicography across many languages, including English, French, Spanish, German, Arabic, Hebrew, Latin, and Cyrillic. Throughout his journey, Stavans spots strange meaning inconsistencies, uncovers unusual origins, and shares extraordinary and often hilarious anecdotes. With a dazzling knowledge of dictionaries through the ages, matched by a lively wit, Stavans reaches far beyond the margin of the page and pays a worthy tribute to a discipline that is at once inspiring and maddening. For dictionaries are oracles: nothing is outside them--except the impossible.
