

Feeling Is the Secret, Revised Edition (Paperback)

By Neville, Neville Goddard

WWW.Bnpublishing.com, United States, 2007. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book ***** Print on Demand *****.THIS book is concerned with the art of realizing your desire. It gives you an account of the mechanism used in the production of the visible world. It is a small book but not slight. There is a treasure in it, a clearly defined road to the realization of your dreams. Were it possible to carry conviction to another by means of reasoned arguments and detailed instances this book would be many times its size. It is seldom possible, however, to do so by means of written statements or arguments since to the suspended judgment it always seems plausible to say that the author was dishonest or deluded, and, therefore, his evidence was tainted. Consequently, I have purposely omitted all arguments and testimonials, and simply challenge the open-minded reader to practice the law of consciousness as revealed in this book. Personal success will prove far more convincing than all the books that could be written on the subject.
