Reviews

Here is the very best book i have study until now. It is rally fascinating throgh looking at period of time. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Dr. Blaze Runolfsson IV)

DOWN TO THE SEA: A MERCHANT MARINERS STORY

Xlibris Corporation. Paperback. Condition: New. 496 pages. Dimensions: 8.9in. x 5.8in. x 1.3in. For those who go down to sea in ships life has always been exciting but ever dangerous. Brutally treated, under paid and subjected to greed of the ship owners and misguided government policies that conspired to keep the seaman in a condition of poverty and near slavery. Change only came about with the advent of the Maritime Unions and World War II. But no sooner had the war ended conditions on American Merchant vessels began to revert the old ways. The ship owners, with Government acquiescence, began to register their fleets under foreign flags in an attempt to break the power of the maritime unions. This activity give rise to the continual, and bloody, labor disputes of the 60s and 70s. Those prolonged lockouts and strikes were finally responsible for the virtual demise of the Merchant Marine. So ended the dream for we who love the sea and had made it our lives. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
