You recall rising to the immediate challenge with the best of yourself. The question posed by The POWER of URGENCY is, Why wait for a crisis to be at the top of your game The author describes how to use the amazing strength, creativity and boldness you discover through your reaction to a fight-or-flight situation, and do it proactively when and where you choose. As a business leader, entrepreneur, or anyone ready to change the status quo, learn how to create from the best of yourself by being urgent in pursuing the objectives most important to you. From the introduction by Steve Chandler: This book first makes the point that the power of urgency is known to all of us. We can reference it. We have all had situations wherein we had no time to think and plan, where we simply had to respond with the highest energy we had. Later we basked in the afterglow of amazing results. This thought rose up: Hey I didnt know I had it in me. Then, maybe years later, it would happen again. Emergency-level crisis and massive, inspired personal action taken in response. Usually extremely bold and surprisingly clever. Remember those rare moments But, as Will points out here, these events are all driven by external...
