Quirk. 1 Cloth(s), 2014. hard. Book Condition: New. A wildly popular and inventive young adult fantasy, inspired by and illuminated with the author's bizarre yet authentic vintage photographs, *Miss Peregrine's Home for Peculiar Children* was widely hailed as "an enjoyable, eccentric read, distinguished by well-developed characters, a believable Welsh setting, and some very creepy monsters" (Publishers Weekly). In this sequel, Ransom Riggs continues the plight of Jacob and his new friends where the first book ended. Having escaped their former island home by the skin of their teeth, the peculiars must journey to 1940 London, the central city of the peculiar underworld. They find new allies and a menagerie of peculiar animals along the way while avoiding the wights and their hollowgasts in hopes of finding the way to return Miss Peregrine to human form. New readers of the series will find this novel a treat and will be able to sift through summaries of previous events to place themselves in the story. Fans of the first title will find this book a treasure. The only downside: waiting for the third installment to find out what happens to Jacob and his peculiar friends." School...
