OBAMAS ENEMIES LIST: HOW BARACK OBAMA INTIMIDATED AMERICA AND STOLE THE ELECTION

Createspace. Paperback. Condition: New. This item is printed on demand. 246 pages. Dimensions: 8.3in. x 5.5in. x 0.7in. One of the attractions of Obama in 2008 was his tone and countenance, his willingness to engage seriously in the issues and toss out the bitter and brittle politics of all. He said we should resist the temptation to fall back on the same partisanship and pettiness and immaturity that has poisoned our politics for so long. And millions of Americans were proud to support such a man. But then something happened to the Obama presidency, something very disappointing. Obama stopped being the president he said he would be. And now a very real sense of regret is settling in. Because just like Richard Nixon, Obama keeps an enemies list. Obamas Enemies List gives you the who, what, when, where, why and how of this never before told heartbreaking story. It also chronicles how intimidation and dirty politics helped Barack Obama steal the election in 2012. This book tells a story the mainstream media will never tell, but it is a story every American must hear. This item ships from La Vergne, TN. Paperback.
