AUTHORHOUSE, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Hi, can we be friends? How have you handled this common question so far? Friendship is a journey. Strangers of yesterday can become best of friends tomorrow. However, after these strangers become casual friends, they may migrate into closer friendships. This journey for some cumulates into cordial business relationships, others into bubbling love and romance, but sadly, most of them end up in shock and regret. I didn't know that she was that kind of person, the guys would often say. He was only looking for sex, the ladies would often conclude. How do we choose friends, especially those of the opposite sex? How can we maintain godly relationships, avoid heart breaks and handle platonic friendships? Many promising relationships are destroyed for lack of intelligent foresight, misplaced ideology about male/female sexuality, and abuse of human intimacy. Hi, Can we be friends? peels out layer by layer the complex process of defining the reason why a particular guy or girl comes into your life. It empowers you to harvest the potentials of relationships while putting your excesses in check. This book provides practical answers to a growing nagging nightmare of how to stand for purity amidst a sex-hyped generation. Its practical, friendly and dynamic approach makes it a must-read for all.
