For two returning prodigals will the challenge to live good withstand the allure to be bad After a nasty divorce, Bethany Davis returned to college and lived up to the low standards set by gossips. Her dad's stroke has now brought her home, and Bethany finds herself in a dilemma--how can she get beyond her past, learn to trust again, and live a good life Bethany's father's involvement in the defense industry adds excitement to her expectation of a boring life back home. However, bodyguards, stalkers, and international secrets are the least of her problems--opening her heart to trust again is a totally different matter. And the mutual attraction with her new team leader, Jason Ross, spells the possibility of big-time heart trouble. Jason's days of wild living are over, and he's determined to prove to himself and God that he's on the right path. When Bethany steps into his office, he sees the girl of his dreams, but is she God's gift or Satan's temptress This item ships from multiple locations.
