Hachette Australia, Australia, 2017. Paperback. Condition: New. Language: English . Brand New Book. Like so many of her university friends, Kate Brown is London bound, but unlike her friends - who had the chance to enjoy the beer, sights and attractions of the UK - Kate is instead visiting her grandmother (who may or may not be the devil). Wanting nothing more than to be a normal, independent twenty-something living it up in ol London town, Kate finds herself a prisoner in her grandmother s Kensington terrace, daydreaming about the holiday that could have been. But when Kate is almost run over by the ridiculously good looking Jack Baker, it leaves her wondering if being out and about is such a good idea after all, especially when she catches herself laughing at his jokes. One thing Kate knows for sure is that she has to avoid Jack at all costs. But with her balcony facing his, you can pretty much guarantee Kate s London adventure is going to be anything but boring . . .
