This collection of research offers an initial step in the pursuit of an applicable linguistics. and lt;em and gt;Appliable Linguistics and lt;em and gt; takes everyday real-life language-related problems - both theoretical and practical - in diverse social, professional and academic contexts as its starting point. It then uses and contributes to a theoretical model of language that can respond to and is applicable in the context. The concept of applicable linguistics used in this volume is informed by the work of M. A. K. Halliday, who believes that and quot;the value of a theory lies in the use that can be made of it. and quot; The chapters in this volume thus use and contribute to an applicable linguistics that engages with a range of issues including: translation, education, language teaching/learning, multimodality, media, social policy and action, and positive discourse analysis. This collection of research is offered as an initial step in the pursuit of and lt;em and gt;Appliable Linguistics and lt;em and gt;, which we hope will serve as a foundation for future work across the discipline. and gt; This item ships from multiple locations.
