

WordPress Security For Webmasters: How To Secure Your Website From Hackers

By Cyrus Jackson

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 88 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. Would you love to learn how to secure your WordPress website (professionally) from hackers and go to bed knowing that your website is safe and sound (Even if you hate coding or nerve-racking technical stuff) Then, WordPress Security For Webmasters is the perfect guide you'll ever read. It's no longer news that WordPress is the biggest content management system on the planet powering authoritative sites like CNN, New York Times etc. Which explains why WordPress is the bomb: amazing features and flexibility! As the WordPress content management system becomes more popular as the day goes by, this increases the number of hack attempts on websites using the platform. In fact, Sucuri's latest report for hacked websites in the third quarter of 2017 says that 3 out of 4 websites developed on WordPress were hacked. This speaks in volume of the fact that smart hackers now focus more on websites that are running on this platform since it's the most popular content management system on the planet and most beginners have not really mastered how to keep their website safe on the...
