Read Books, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Designing and constructing your own musical instruments can not only be extremely cost-effective, but also hugely rewarding and entertaining as well. This book contains a detailed, step-by-step guide to designing and building a guitar, complete with all the necessary information and a plethora of detailed diagrams and helpful tips. Easy-to-follow and very much designed with the amateur in mind, this text is ideal for those with little experience in woodworking and makes for a lovely addition to collections of hand crafting literature. Many antique books such as this are increasingly hard to come by and costly, and it is with this in mind that we are proudly republishing this book here complete with a new introduction on the subject.
