

Financial Services Law

By George Walker

OXFORD UNIV PR Mai 2018, 2018. Buch. Condition: Neu. Neuware - The most comprehensive single-volume practitioner reference work on financial regulation, Financial Services Law has been thoroughly revised and updated to take account of the major developments in a rapidly developing regulatory landscape. The updated text analyses all of the substantial institutional and structural changes brought, or to be brought, into effect under the additional new key statutes adopted in the financial area including specifically the Financial Services (Banking Reform) Act 2013 and the Bank of England and Financial Services Act 2016. The major new regulatory initiatives are covered in detail, including the Senior Managers Regime (SMR) and Certification Regime (CR). There is also coverage of new individual statutory offences, bank ring-fencing, depositor preference, bail-in stabilization and crisis management, resolution planning, payment system reform, and further Bank of England governance and PRA reform. Since the last edition there have been many developments at European level and the fourth edition takes full account of these including the Capital Requirements Directive IV, Solvency II, and MiFID II. At domestic level the division of the FSA Handbook of Rules into the PRA Rulebook and the FCA Handbook has been covered in two new chapters....
