## TIECK S ESSAY ON THE BOYDELL SHAKSPERE GALLERY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Tieck s Essay on the Boydell Shakspeare Gallery The Gallery is for us now a revenant of a past and some what impossible generation. A certain air of English commercial roastbeefism clings to it. It is an England, the art of which knows nothing of Constable and still less of Turner, an England which loves Shakspeare without reading him - as Tieck suspect cd - and whose gallophobia does not recognize the det to France and the French elements in this very series. As an interpretation of Shakspeare, it is no more than on a plane with Colly Cibber. Tieck saw this and felt it, but could not make clear to himself what was wrong with it. The plates belong in parlors of the haircloth age, where indeed, they may still often be found. It is before the day of the painted snowshovel and the crayon por trait, but the delicacy of the Adams decorations has gone out and the new strength of Romanticism has not come in. There is surely no tuch of the Elizabethan or Jacobean spirit. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
