All he knew was that it was a cabal of operatives discharged from branches of the military and reassigned to extremely dangerous, off-the-books international missions. And that their handler was as shrouded in mystery as the missions themselves. Nothing can stop them. Nothing can break them. Now the handler of Section 8 has given extreme orders to kill any remaining members, along with their families. Dare must save his long-lost half sister, Avery, whom he was never meant to meet. Determined to fight for their lives and find their missing father, Dare and Avery bring together those who are in danger because of their relationship to Section 8 for one last mission to avenge their families and to survive.
