

Fourteen Inches to Peace: Seven Simple Steps to Move from Your Head to Your Heart (Hardback)

Filesize: 4.08 MB

Reviews

An extremely great ebook with lucid and perfect explanations. It is full of knowledge and wisdom. It's been printed in an exceedingly straightforward way in fact it is merely right after I finished reading through this publication by which really transformed me, alter the way I believe.

(Spencer Fritsch)

FOURTEEN INCHES TO PEACE: SEVEN SIMPLE STEPS TO MOVE FROM YOUR HEAD TO YOUR HEART (HARDBACK)

Balboa Press, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Time and again we hear reports from readers and students of our programs that This is It. This is what I've been looking for all these years. This is what I've long sought but until now have not been able to find. It is the subject of this book. Here are a few examples of the responses we get when we ask, What is It ? a thread that weaves through the truths of other spiritual traditions and ties them all together; a nonintellectual means for obtaining spiritual fulfillment without cluttering the head with more and more information; that evolutionary piece of Spirit work that takes a person beyond concepts and knowledge to actually achieving the changes he or she seeks; a methodology that amps up the spiritual process; a perspective that heals the pain ego causes and gives us access to the authentic self; an experience in which you need do nothing to gain the whole world; a clear and simple way to apply your existing spiritual knowledge; the spiritual fountain of youth; once you experience it, you return to the place you've always wanted to be; a personalized, simple way of finding your true self by getting rid of the pain that ego has caused in your life; life changing, an experiential framework for understanding the world, and a structure on which to build one's life; a life-transforming experience; once you've been through it, it is impossible to return to a life driven by ego.
