

Enemy Aliens: Double Standards and Constitutional Freedoms in the War on Terrorism (Paperback)

By David Cole

The New Press, United States, 2005. Paperback. Condition: New. New ed. Language: English . Brand New Book. When David Cole was first writing *Enemy Aliens*, in the immediate aftermath of 9/11, the anti-immigrant brand of American patriotism was at a fever pitch. Now, as the pendulum swings back, and court after court finds the Bush administration's tactics of secrecy and assumption of guilt unconstitutional, Cole's book stands as a prescient and critical indictment of the double standards we have applied in the war on terror. Called brilliantly argued by Edward Said and the essential book in the field by former CIA director James Woolsey, *Enemy Aliens* shows why it is a moral, constitutional, and practical imperative to afford every person in the United States the protections from government excesses that we expect for ourselves.

Reviews

The best pdf i possibly go through. it was writtern quite properly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Miss Sienna Fay Jr.

This publication is wonderful. It normally is not going to expense too much. Its been printed in an extremely straightforward way in fact it is merely following i finished reading this publication where actually transformed me, modify the way i really believe.
