Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Leopard is one of the animals that belongs to the cat family. Because of this, it is similar to other big cats and most especially to jaguars. The difference is that although both are spotted, spots called rosettes, they are not exactly the same in size and shape. This book introduces you to many basic information about the leopard. Did you ever notice a leopard s tail? This book will tell you how a leopard uses its tail. It will teach you how a leopard looks for its food. What senses do leopards use? is it the same with other big cats? What kind of animals do leopards eat? It is said that leopards are very athletic. In what ways are they so? What sounds do they make? Are they an endangered breed? Read this book and your questions will be answered. Learn a lot of interesting things to add to your store of knowledge. Learn about the leopard s way of life. Learn about how their babies live. Learn about the other kinds of leopards like the black panther and the snow leopard. Learn these and a lot more. This book also contains many wonderful photos of the leopard which will help the reader gain a better understanding of this amazing animal. This is our black and white print edition.
