Jimmy Chan makes an incredible attempt to peel back the layers of humanities consciousness. He is very bold in language and quite direct in his way of sharing. Pieces like Cup of Love or Time Spent Alone are exceptionally creative, honest and soul barring. Each body of poetry demonstrates the essence of meditation and exploration of self through writing. It reminds us that if one wants to heal from trauma, stress or anger, they must be willing to travel inward so that they might understand self. The writings remind us of the importance in Loving and Caring for self and one another. It teaches that the growth of the human spirit occurs when we become selfless and more giving while constantly keeping inventory on how we grow spiritually as a unit and as a single cell. It reminds us that we are all brilliant and special beings within the cosmos.
