As a prominent figure in his field, Dr. Lai has learned to balance these surmounting stresses and found a positive solution to tackle the questions that plague us all. the Healer is designed as a go-to reference that assists healers to get through some of the most frequently encountered situations, so that they can get back on track, and return to their core business of making their client s well and maintaining their wellbeing. You will learn numerous positive affirmations that cover a wide range of areas, such as giving your day a positive start, optimizing your performance, dealing with failure, coping with the loss of a patient, and ending your day with peace and love.
