Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.One day, whilst searching through some old papers, I came across a poem that I had written when I was in secondary school. When I read this poem to myself I became inspired to start writing poetry again. This book represents a compilation of my recent poems. Most of the poems are inspired by an interest in photography, space travel and technology.
