

## My Voice: A Physicians Personal Experience with Throat Cancer

By Itzhak Brook

BookSurge Publishing. Paperback. Book Condition: New. Paperback. 282 pages. Dimensions: 8.9in. x 6.0in. x 0.8in. The book captures three years of the authors life following a diagnosis of throat cancer and tells the story of how he faces and deals with medical and surgical treatments and adjusts to life afterwards. As a physician with lifelong experience in caring for patients, the author shares his insights and perspective on these events as he undergoes the effects of a severe illness through the eyes of a patient. He endures the consequences of radiation, surgeries, and prolonged hospitalizations. He confronts medical errors, discrimination following loss of his vocal chords, and struggles to regain his ability to speak again and find new meaning to his life. The author shares his anxieties, frustrations, failures, and ultimate adjustment to life with continuous uncertainty about the future. Through the authors insights, health care professionals may become more aware of what their patients actually experience, and patients who face similar hardships may find out how to cope with them. The book was endorsed by the American Academy of Otolaryngology-Head and Neck Surgery. Read excerpts of My Voice at Brooks blog: dribrook.blogspot.com This item ships from multiple locations...

### Reviews

*Comprehensive guideline! Its this sort of good read. It is actually written in simple terms and never hard to understand. Its been developed in an exceedingly simple way which is just after i finished reading through this ebook where actually changed me, modify the way in my opinion.*

-- **Mabelle Wuckert**

*Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.*

-- **Antonetta Tremblay**
