Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

NEW WORLD EXTRA (PAPERBACK)

Bellamy House, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I probably should have called it: What Is Colin Farrell Really Like? This is the story of my summer gig working as an extra in the film The New World, which was Terrence Malick s dramatic re-creation of the Jamestown experience and the life of Pocahontas, released in 2006 by New Line Cinema. I saw a story in the newspaper about auditions. I had very little acting experience, but I had had ancestors at Jamestown in the 1600s and was writing a book about some of them. So I thought it might help me to feel the ambience of Jamestown if I was lucky enough to make the cut. In the first scene on the first day, I had to perform next to Colin Farrell and Christopher Plummer. Everyone seemed to think I should know what to do! Overall, I think the book will give readers a new appreciation of the talent, hard work, and sheer craziness that go into the making of a big budget Hollywood film. Reynolds Price said: I loved your account of the stint in The New World. The whole piece is appropriately a hoot.
