Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Middle school administrators have expressed concerns that the report card ratings for their schools are based exclusively on student PACT performance while the results from the standards-based End of Course tests taken by their students are included only in the school district ratings. In response to these concerns, a methodology was devised to include End of Course test results along with PACT results for the calculation of middle school Absolute Ratings. This report describes that methodology, presents the results from simulations based on the methodology, and makes recommendations regarding the adoption of the methodology.
