Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. Workbook. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This Good Friday and Easter Workbook has been especially written by the poets Dorothy E. Scott and Alice Oxford, to take you on a spiritual Christian journey during Easter time. Using Biblical citations and poetry, questions are asked about your own special relationship with Good Friday and Easter, including plenty of space for you to write down your feelings and experiences. All proceeds will be donated to those in need. Easter is a time when we reflect on Jesus ascension from earth to heaven, and His return to earth for eternity. People who have faith recognise the importance of Easter, as we know only too well the message that Jesus died to save us, and that He was sacrificed by God so that we may be reprieved from our sins. Around the world, Easter is celebrated in many different ways and yet what unites those who feel the importance of Easter, is the knowledge that they are demonstrating their faith as they recognise its significance. Easter is a time for the community to join together and for families to get together, acknowledging that their love for each other is important. This workbook provides an interesting opportunity for you to reflect on what Easter really means to you, and it may feel a little like a pilgrimage as you progress through it, learning more about your own feelings.
