AFRICAN SHORT STORIES: VOL 2

Handel Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Bequeathing an enduring tenet for the creative enterprise, African Short Stories vol 2 boldly seeks to upturn the status quo by the art of narration. Whether they are stories of the whistle blower estranged and yet sounding the warning for heaven and earth to hear, or a ragtag army fleeing in the wake of a monstrous reptilian onslaught upon her peace, there pervades a sense of ultimate victory in this collection. We can feel the gentle kick of a baby in the womb of a maiden in desperation, or we can muse at the two adolescent genii on the trail of their dreams from the sunset of mutual deceit into the daylight of true becoming. Victory is laid out in that awesome kindness of a total stranger which affirms the divinity latent in even our most harrowing existence. With thirty five stories in two parts these literary experiments compel attention to the courageous hearts and minds that brighten the African universe of narration. Their vibrant notes coming from all corners of north, west, east and south fill us with encouragement and optimism for the contemporary short fiction in Africa.
