## WHAT TO EXPECT WHEN STARTING KRAV MAGA (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Written by an experienced Krav Maga practitioner, this book is targeted at new and prospective students starting their training in Krav Maga and those simply evaluating Krav Maga to see if it might be right for them. In an approachable and irreverent style, the author answers many burning questions students have and provides insightful guidance and practical tips sure to get them the most out of their training. This is not a book on Krav Maga techniques. The reader will not learn how to break a choke, disarm someone with a gun, or throw a punch; there are several books on the market that fill that void. Instead, what this book does contain is practical information and over 40 valuable tips that every prospective student or beginner student should know when starting out in this popular self-defense martial art. This book is also not a long, dense, rambling door stopper of a book that will take you weeks to read and digest. It is specifically designed to be brief and to the point in order to get you the just in time information you need in a format that can be read in a few sittings. Quick, concise, helpful, and targeted to your needs, the brand new student to Krav Maga.
