Reviews

This ebook might be worth a read, and superior to other. It is probably the most amazing publication we have read. Your lifestyle period will likely be transform once you total looking over this publication.

(Alana McCullough)

VOYAGES INTO THE UNKNOWN

Hampton Roads Publishing Co, United States, 2003. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. The author says, I m just an ordinary human being whose curiosity about human existence beyond death led me to extraordinary experience. . . . If there is any difference between you and me it is only that my curiosity has already led me to explore and know what lies beyond death in the Afterlife. This fascinating volume recounts the story of some of his voyages past the edge of life, using techniques learned at The Monroe Institute. Moen describes for the reader how to access this knowledge for themselves and to learn what the Afterlife really is.
