Unquestionably, this is the best work by any author. Better than ever, though i am quite late in start reading this one. I realized this publication from my dad and i advised this pdf to find out.

CHRISTMAS MOUSE (HARDBACK)

KATHERINE TEGEN BOOKS, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. Anne Mortimer, author and illustrator of Pumpkin Cat and Bunny's Easter Egg, creates another holiday story. Christmas Mouse tells the story of a mouse getting ready for Christmas. Anne Mortimer's brightly colored and detailed paintings are full of festive energy, and the rhyming verse makes this a great read-aloud alternative to The Night Before Christmas. There's much to do before Christmas comes! The tree needs decorating, lights need hanging, and carols must be sung. There are presents to leave for animal friends, treats to nibble on, and stockings to hang by the fire. When everything is ready, Mouse makes a Christmas wish before snuggling down to sleep. Will Mouse's wish come true? This cozy story for young readers celebrates the little things we do that make Christmas a magical time for all.
