FOUNDATIONS OF PARLIAMENTARY DEMOCRACY IN SIERRA LEONE: MY MEMORIES OF PARLIAMENT (PAPERBACK)

Redi Publications, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book gives a unique insider s account of the changes in governance that took place as Sierra Leone progressed from a British Colony with a self selected legislature to an Independent Nation with a democratically elected Parliament. It covers the period from 1944, when the authour started his career, to 1967 when a military take-over saw the dissolution of Parliament. In the position of Clerk to the various Legislatures in Sierra Leone the authour accumulated over twenty years of experience as an insider in the legislature and an independent witness of change. It is from this vantage position that the book outlines details of the events, processes and most of all the major personalities that shaped political governance in Sierra leone. This book is not the usual historical account of dates and events with arguments over roles and outcomes. Rather it is an insightful and detailed account of the motivation and strategies of the different stake-holders as they battled for change in governance. It outlines the cut-and-thrust of debate in the various legislatures, resulting in the increased democratisation of political governance. The 1944 Legislative Council of 21 members was made up mainly of European Government Officials and members appointed by the Governor.This was later enlarged to include more elected members, becoming a 57-member House of Representatives in 1951, with an elected Speaker. The stalwarts who pressed for change come alive in this book with all their political savvy and their idiosyncrises which made them colourful figures in the process of change. The authour portrays these main characters with empathy and fondness that reflect his role in serving and guiding legislators as well as his friendship cultivated with them over the years....
