

Exploring the Boundary Waters: A Trip Planner and Guide to the BWCAW (Paperback)

Filesize: 6.98 MB

Reviews

An exceptional ebook along with the typeface utilized was fascinating to read through. I am quite late in start reading this one, but better then never. You are going to like the way the blogger write this publication.

University of Minnesota Press, United States, 2005. Paperback. Condition: New. /Uncensored Box. Language: English . Brand New Book. With more than 200,000 visitors annually, the Boundary Waters Canoe Area Wilderness is among the most alluring wilderness areas in the country, unique because it is most often explored by canoe. Comprised of more than one million acres, the BWCAW is an exceptional combination of expansive wilderness, abundant wildlife, and fascinating natural and human history. Exploring the Boundary Waters is the most comprehensive trip planner to the BWCAW, giving travelers an overview of each entry point into the wilderness area as well as detailed descriptions of more than one hundred specific routes - including a ranking of their difficulty level and maps that feature the major waterways, portages, and the designated campsites. The book is crafted so that readers can design their own route through the almost inexhaustible network of lakes and streams. Daniel Pauly, Boundary Waters expert, worked with the U.S. Forest Service, the Minnesota DNR, and local outfitters to gather information about how to obtain a permit, the rules and regulations of the park, safety tips, and how to help maintain the ecological integrity of the wilderness. As engaging as it is informative, Exploring the Boundary Waters not only contributes advice on the pros and cons of each route, but also brings the reader a natural and historical context for the journey by offering insight into the pictographs, mining sites, logging railroads, and ruins one may encounter throughout his or her expedition. With its accessible and personal style, Exploring the Boundary Waters is the perfect guide for anyone - novice or seasoned veteran - arranging a trip to the BWCAW. A companion Web site, // presents useful information that can be downloaded for planning a trip, including gear lists, overview...
