

Poultry Keeping as an Industry for Farmers and Cottagers (Classic Reprint) (Paperback)

By Edward Brown

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Poultry Keeping as an Industry for Farmers and Cottagers Poultry keeping is a pursuit which recommends itself very strongly indeed to the small farmer and cottager, in that the outlay of capital required is very little in deed, and the returns are quickly arrived at. Chickens bred for the table can be marketed within a few weeks those intended as layers will commence operations by the time they are five months old. Only in one or two other branches of farming can the same rapid return be secured. There need be no outlay for rent, and, except upon large farms, where a special poultry woman is kept, wages do not enter into consideration. It is, in fact, one of those pursuits which can be engrafted upon the regular operations with very little additional outlay But there is a further benefit to be derived. F owls play an important part in cleaning and enriching land upon which they are kept, and in the following chapters evidences of this are given. If the example shown by vine growers in France were followed, and...
