Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The short stories attributed to Aesop have been around for over 2,500 years. Many times no longer than a paragraph, they are still long enough for the reader to see the moralistic truth of the world around us summed up in a brief encounter between animals. The vocabulary and grammar can be difficult for young children on their own, but they will be understood if it is read to them with the proper pauses and inflections. Every fable has its moral underneath it. Many of them children will recognize from other storybooks. Every teacher should have a collection of Aesop s fables.
